Obituary

CLARENCE GATE WOODS, was born in Dallas, Texas on May 29, 1957 to Maybell Woods and Clarence Woods where she later moved to Los Angeles and married Preston Williams. He was the sixth of eight children.

Clarence attended Jordon High and later became a Jordan High graduate. He was a member of Singere Power House COGIC, where he served under the leadership of his pastor and father.

He was loved very much by his parents and friends, and will be missed very, very much.

Clarence was a loving father of three daughters, Janiel, Candy, Tinica Woods. He leaves to cherish his fond memories: his mother and father, three sisters, Barbara, Velma, Rosetta; and two brothers, Willie, Jerry; and a host of relatives and friends.
